Ladies:

Help refresh my memory - for the 2nd LNK group, what is the maximum number of subjects we would expect to enroll? Denise and I just need to figure out what the next shipment should be comprised of.

Could you let me know on Tuesday?

Thanks,  
Valerie

Denise-

I wanted to let you know our current cigarette inventory.

Marlboro: 1433 packs  
Marlboro Lights: 1161 packs  
Marlboro Ultra Lights: 934 packs

Will you be sending a new shipment for the upcoming October study?

Thanks!
